## ADVANCED CONTROL FORMULA

Vaso 9 XPDC™ was engineered specifically for men concerned about sexual stamina and performance. It is the world's first transdermal formula to utilize the proprietary compound Neurotrophin and Neurotransmitter Signaling Delivery Technology. This revolutionary topical agent and technology provides men the ability to maximize their sexual control and performance with the very first application.

**Recommended Use:** The ingredients activate upon application. Massage a quarter sized dab directly onto the penis immediately prior to engaging in sexual activity.

Precautions: For external use only. Avoid contact with eyes or broken or inflamed skin. Keep out of reach of children. Not intended for use during oral sex. DO NOT SWALLOW. In case of accidental internal ingestion, seek professional assistance. Individual results may vary. These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease. Vaso 9 XPDC™ is not intended for use by pregnant/nursing women or women trying to conceive. This is not a contraceptive. Does not prevent pregnancy or the spread of STD's. This product has not been tested for safety.
